Homeowners Association

Pool Bracelets

In order to ensure that only eligible lot owners of Riverwalk HOA and their guests are the ones enjoying the amenities, we are instituting a process that will help control the entry of un-authorized persons and the potential for abuses to our property.

1. The Riverwalk HOA will issue bracelets to all HOA members in good standing and their immediate families to be worn when using the Riverwalk Pool Amenity.
2. New bracelets will be issued annually prior to the opening of the pool. The color of the bracelet will change each year.
3. HOA Members in good standing will be required to complete the pool registration form identifying immediate family members living in household. I.E spouse/significant other, school-aged children name and age.
4. All members and their immediate family must have the bracelet on them at all times while using the pool amenity. We encourage all members to challenge anyone who does not have a bracelet on them and advise them to leave the pool area, or they will be reported as trespassing.
5. If a person without a bracelet states they are a guest of a member, then the adult HOA Member (the owner of record for lot) must be present and identify them as their guest, in order to be allowed to remain, provided the number of guests per HOA Member is met.
6. Individuals who indicate they left their bracelet at home will be told to leave the pool amenity area and return home to get the bracelet and return.
7. Lost bracelets will be replaced with written notice to the board Vice President. A fee of \$10.00 for first occurrence and \$20 for second occurrence will be payable prior to issuing a new bracelet. No more than 2 bracelets will be replaced per pool season.
8. Wearing of 2017 Bracelets will be begin 7/1/17.
9. **We will turn off all FOBS and reactivate them when we receive the signed Pool Registration Form and you have picked up your bracelets.**
10. We will be available at the Clubhouse to pass out the Bracelets on June 28, 29 between 4:00 PM to 7:00 PM and June 30th between 4:00 PM to 9:00 PM. Please bring your completed Pool Registration form as well as the signed acknowledgement of the 2017 Pool rules.
