Please make sure all in your family are aware of these pool rules.

**** POOL GATE MUST BE KEPT CLOSED ALL TIMES.**

County pool inspectors do impromptu inspections during the season. If they find gate open and not secured, they will close pool down indefinitely.

All residents are asked to take responsibility to ensure the gate is closed at all times and please do not let anyone in who does not have their fob, even if they have a ID bracelet, as its probably due to being non-current on dues, or they may not be from our neighborhood.

The pool and all Riverwalk amenities are for the enjoyment of Riverwalk lot owners who have paid their dues in full. All key fobs have been activated for those members who are in good standing.

If your fob is not functioning and you are in good standing contact Paul Lundsford at hoatreasurer@msn.com or Byerl Sawyer – Byerlsawyer@comcast.net .

Lost your FOB? Replacements keys are available for \$25.

I have read the 2017 pool rules and agree to ensure that my family and guests comply with them.
